**TABLE
A**

If the table is inadequate: Add R3,419 (for under 65) or R3,310 (for over 65) to the result of 40% X (actual weekly remuneration less R11,928.50). Apply rounding to the end result by disregarding the cents.

Note: R11,928.50 is the average between R11,921 and R11,936
